What is the Sanctions*List*?

The Sanctions*List* is a sanctions screening app consolidating the below sanctions lists into one easy-to-use app. To start sanctions compliance and to check if your business partner appears on a sanctions list, download the app in an app store by scanning the above QR-code or use the [web-based app](#).

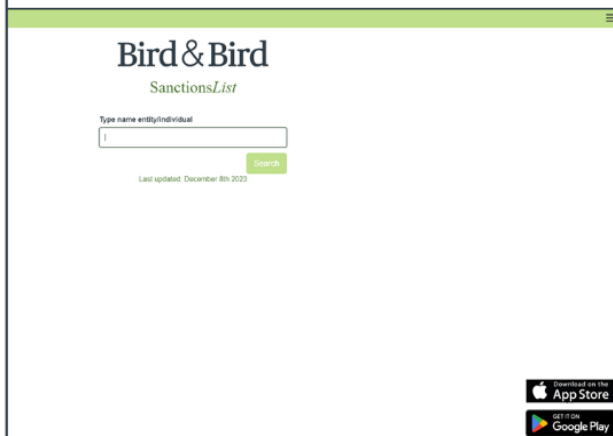

What are Sanctions?

Sanctions are measures restricting or prohibiting business with targeted parties that are designated on a sanctions list. Non-compliance with sanctions could result in financial penalties, significant reputational damage and even imprisonment for individuals.

Why is screening recommended?

To prevent non-compliance with sanctions, business partners should be screened against the relevant sanctions in order to ensure that their business partners are not designated on any relevant sanctions list.
